

## About Western Sydney Technology College

Merage Group Pty Ltd began trading as Merage Global Institute of Technology, and was established in 2003 as an IT training company. However, during 2020 it was decided to rebrand and change the trading name to Western Sydney Technology College (WSTC).

**WSTC** is a Microsoft Certified Partner Silver, CompTIA Training Authorized Partner and Quint Group, all of which offer high quality IT Training solutions.

Our innovative training has brought one rare achievement for WSTC being nominated as the finalist of the **MAPA** - Microsoft Australia Partner Awards in the **Year 2012 and 2016**

The nomination has shown our contribution towards the growth of IT education and our commitment to achieving the highest standard as an education provider. Our achievement in receiving this nomination is based on our innovative courses that embed the industry certification such as Microsoft Certified Solutions Associate (MCSA) Server Administrator and Cisco Certified Network Associate (CCNA), and CCNA security within the ICT50418 Diploma in Information Technology Networking and ICT60215 Advanced Diploma of Network Security.

This unique approach to education prepares WSTC students to be **job ready** with new technologies and skills from leading vendors like Microsoft and Cisco.

Being a Microsoft Certified Partner for Learning Solutions (CPLS), all trainings at WSTC are delivered by Microsoft Certified Trainers (MCTs) using Microsoft Official Courseware (MOC) training manuals and materials.

AT WSTC, students also enjoy the same privilege, as our corporate clients, e.g. exposure to trainers who are Microsoft Certified Trainers (MCTs). Our relevant courses are mapped to Microsoft Official Curriculum.

## Why WSTC?

Courses are embedded with major vendor certifications prepare graduates to be **job ready** with the technological understanding and practical skills directly applicable within the workplace.

At WSTC, we have integrated the industry certification with VET Qualification as a result our students will have an edge when it comes to Technology and practical skills.

Quality trainings with highly qualified trainers, certified by industry vendor(s) to teach vendor's official courses.

Microsoft Learning Partner of the Year, MAPA (Microsoft Australia Partner Awards) 2012 and 2016 finalist.
